

In re Appln. of Tadao Yamaguchi
Serial No. Unassigned

IN THE DRAWINGS

IN THE SPECIFICATION

Page 2, lines 5-6, delete “it may be a problem that”;
line 6, change “magnetism deteriorates” to --magnetic field
may deteriorate--;

line 17, delete “predetermined”;

line 25, change "X-Z" to --II-II--;

line 20, delete “in”;

line 24, change "inserted over" to --placed over and
surrounds--;

line 25, delete "portion"

line 26, change "portion 3b" to --3b of the feeder terminal 3--;

delete "portion" (second occurrence);

lines 26-27, delete "is vertically erected, and";

line 27, after "the" insert --feeder terminal--;

delete "portion";

after "such" insert --an--;

line 28, change "portion 5a which is formed of thin wires" to
--5a feeder terminal which is a thin wire--;

line 32, delete "formed";

change "where a" to --with a centrally located--;

delete "arranged is";

Page 6, line 1, change "portion 4a integrally" to --4a--;

line 2, after "7" insert --,--;

line 3, change "thermal" to --a thermally--;

change "where" to --with--;

delete "type";
